

Fun, Friendship & Frivolity!

Red Hatters ~ Where women are royalty every day!

The Red Hat Society is a women's social club, whose focus is on living life to the fullest and not 'acting your age'

*We meet regularly in small local groups for outings, socialising & fun.
Non-religious and open to all women!*

*Women over 50 years of age dress in purple clothing and red hats.
Women under 50 dress in lavender and pink (until they REDuate!).*

We hold events ranging from picnics and coffee mornings, to elaborate themed dinners and even cruises! Loads of fun to be had by all, and many opportunities to make friends and socialise with fun-loving women.
